

# AMANDA SUÁREZ FERNÁNDEZ

*Phd Student in Analytical Chemistry*

## **Academic Studies**

International master's degree in analytical and bioanalytical sciences, University of Oviedo (2014)

BSc in Chemistry, University of Oviedo (2013)

## **Professional Experience**

240 h Internship in Industrias Lacteas Asturianas S.A. (ILAS) (2014/2015)

## **Contact**

**Address:** Department of Physical and Analytical Chemistry, Faculty of Chemistry, University of Oviedo.

Julián Clavería, 8, 33006, Oviedo, Spain.

**Telephone:** +34 985 105001

**Email:** uo215260@uniovi.es

## **Research topics**

### *Research Lines:*

- Determination of proteins biomarkers in clinical samples by quantitative proteomics using LC- MS/MS

### *Mass Spectrometry Experience:*

**Mass Spectrometers:** triple quadrupole (QqQ),

**Ionization Sources:** Electrospray (ESI),

**Sample introduction and/or separation techniques:** Liquid Chromatography.

**Fields:** clinical
